## Corbett Elephant Safari

The safari is a great combination of various ways to observe wildlife and the main attraction being riding the Pachyderm for an extended period of time. Elephant Safari in Corbett, takes you through deep valleys, dense forests and craggy trails without disturbance. The Elephant is the royal mode of transport. The height of the

gigantic beast help to viewing the wildlife species very clearly. The gorgeous picturesque, natural beauty, cool and calm atmosphere, fresh and fragrant air add a majestic excitement in the Elephant Safari Tour. Besides traveling on the elephant, the tour plan includes various activities including game drives into the National Park, hikes for bird-watching, visits to local villages.

## Corbett Jeep Safari

JEEP SAFARI IS THE BEST WAY THAT OFFERS TOURISTS WITH EXEMPLARY DIVERSIFICATION IN WILDLIFE SUCH AS TIGER, WILD DOGS, JACKALS, SLOTH BEAR, BARKING DEER, INDIAN PYTHON, LEOPARD, KING COBRA, AND ELEPHANT INCLUDING AN ARRAY OF REPTILES AND OF COURSE THE RARE BIRDS. JEEP SAFARI IS INDEED THE THRILLING AS YOU WOULD EXPLORE THE RUGGED TERRAIN OF BIJRANI , BUT IF YOU ARE SERIOUS ENOUGH TO GET ACCESS TO THE REMOTE RIDGES OF NATIONAL PARK, ELEPHANT SAFARI COULD BE THE BEST OPTION OUT. THE WILD DOGS OR DHOLE (POPULAR AMONG THE LOCAL INHABITANTS) ARE FOUND ONLY IN BIJRANI , AND HAVE STRIKINGLY FOCUSED COMMUNITY HUNTING TECHNIQUE. SIGHT A ROYAL BENGAL TIGER, IF NOTHING ELSE.

## Corbett Canter Safari

DHIKALA IS THE MOST WELL KNOWN OF THE POPLUAR TOURIST DESTINATIONS IN CORBETT. IT IS LOCATED AT THE EDGE OF THE BROAD PATLI DUN VALLEY THROUGH WHICH THE RAMGANGA FLOWS IN NUMEROUS CHANNELS. DHIKALA OFFERS AN AWESOME UNINTERRUPTED PANORAMIC VIEW OF THE VALLEY, WITH THE KANDA RIDGE IN THE BACKDROP. THIS SIGHT APPEARS ALL THE MORE IMPOSING FROM THE WATCHTOWER NEAR

DHIKALA. THE TOURIST COMPLEX OVERLOOKS DHIKALA CHAUR (ONE OF THE LARGEST REMAINING GRASSLANDS OF THE PARK) AND PHULAI CHAUR. A DRIVE THROUGH THE NUMEROUS TRAILS THROUGH CHAURS IS REWARDED WITH SIGHTINGS OF TIGERS.
